Bonticou Crag by Kate Schoonmaker

Plan today to protect the Preserve tomorrow

FreeWill is an easy and completely free tool for estate planning. No matter where you are in life, a will is useful to:

- Communicate important financial and healthcare decisions
- Name guardians for children and pets
- Secure assets from a vehicle to cherished family photos

If you choose to include a gift to the Preserve in your estate plan, you're not just making a donation; you're ensuring that protecting and stewarding land, offering visitors a wide range of sustainable recreational opportunities and providing environmental education experiences to people of all ages will continue for generations to come.

Thank you for being a part of our story, one that extends far beyond our lifetimes. Together, we're writing a future where nature thrives and communities flourish.
